Experience

- | | |
|--|--|
| Freelance graphic designer
2017-present | Have done print and branding design work for political candidates across the country, a local non-profit, and small companies around the world. |
| Independent knitwear designer
2007-2017 | Design, write, lay out, and self-publish knitting patterns, and freelance design for magazines and other publications. Have done collaborative work with other designers. Have self-published several small books. |
| Photographer
2004-2017 | Freelance work from 2004-2011, in music and product photography—for The District Weekly in Long Beach, CA, San Diego City Beat weekly, individual bands and artists, Trillium Artisans, PenFelt, and my own knitting pattern business. |
| Book author
2017 | Conceptualized, wrote, and designed artwork for <i>Color Squared</i> , published by Clarkson Potter, released in June 2017. |
| Craft project tutorial writer/teacher
2007-2017 | Create/customize projects or techniques, photograph steps, and write tutorials for websites, blogs, magazines, and books; teach projects at the Multnomah County Libraries, conventions and festivals, and shops. |
| Freelance commercial work
2012-2014 | Production work, designing, crafting, and building objects for ads for MSN, Nike, and Microsoft, under Kamp Grizzly and Department of Art. |
| Sales associate and Key lab tech
2005-2008 | At Ritz Camera stores in California and Portland; in charge of the photo lab—developing and printing, and keeping the lab maintained—and sold cameras. |

Education

- | | |
|-----------|---|
| 2000-2004 | BA from University of California, San Diego, major in Visual Arts (media), minor in Visual Arts (studio). Emphasis in photography, classes in computing/digital arts. |
| 2016-2018 | Graduate of the Graphic Design program at Portland Community College. |
